

Town of Westmore
Selectboard Meeting Minutes
Sept 6, 2016

In attendance: Burton Hinton, Chair, Bill Perkins and David Stevens, Selectmen, Greg Gallagher, Town Clerk, and Miriam Simonds. Jim Barlow came in at 6:30.

Burton called the meeting to order at 6:02.

Bill moved and David seconded to add Garage Pressure tank and Zoning violations to the Agenda. Passed.

The size of the new pressure tank is larger than the old one and will require more work to make it fit. Bill moved and David seconded to allow for the increase in Blanchard's estimate due to changes required and that their price is still the lowest. Passed.

Bill moved and David seconded to approve the Aug 22nd Minutes. Passed.

Art Brooks discussed the Greeter Shack. It is 5'X5'X10' high. They would like a place at the garage for the winter and, if possible, help moving it from Old Cottage Lane. Burton will check with Steve. Art also said that Fish and Game does not want it in their parking lot. He thought Westmore owned property there, but the Board said we do not. Art will talk to some of the Greeter Grant people to see if they can influence F&G to allow it.

Jim Barlow, formerly with VLCT, then Attorney for South Burlington announced that he is opening a law firm in Marshfield dealing with municipal issues. He would like to help Westmore with any of their legal issues. He said if there were any issues that the Board could call and discuss them anytime.

Greg passed out two Zoning violation notices from Andy Berley. For their information.

There were no Health issues.

There were no local citizen comments.

David moved and Bill seconded to sign the "Current Tax Collector Warrant." Passed.

The Board reviewed and initialed the check orders.
Greg passed out the Cash Flow spreadsheet showing a balance of \$303,000.

David moved and Bill seconded to approve Select Orders and Payroll #18. Passed.

Correspondence was reviewed. The Board would like the Transfer Station attendants to come to the next meeting to explain Connie's note about Myers concern about too much recycling in the trash.

Bill moved and David seconded to adjourn at 7:40. Passed.
