Jim Barlow

- **Town of Westmore Nudity Ordinance**

- Jim presented to the board a draft of a “Town of Westmore Public Indecency Ordinance.” He indicated the drafted document was crafted from similar VT ordinances. He stated if enacted, it can be subject to a petition based on 5% of the voters thus requiring a special town meeting in attempt to repeal the ordinance.
- Andy Berley posed various questions and provided the board with a list to support this. How do we intend to enforce this when we have a difficult time enforcing our other ordinances and what if it becomes a state park.
- Other questions from the floor were, are the complaints in writing and how many complaints have we had this year. Bill expressed that all the complaints were verbal to him and thought he's probably had 10 complaints so far.
- Those from the floor spoke about the beach being a family oriented atmosphere and that more families were there this Summer than before. Another point made was people from boats have been rude to those on the South Cove beach this Summer.
- No other discussion on this topic ensued.

Burton moved and David seconded to go into executive session to discuss personnel issues in relation to the Transfer Station and Highway at 3:48pm. Burton recused himself in regards to the Highway discussion. Passed.

David moved and Bill seconded to come out of executive session at 4:30pm. Passed. No action taken.

David moved and Bill seconded to adjourn at 4:35pm. Passed.

Melissa S. Zebrowski
