- Bill said in the near future we will need to have a special meeting to fill out the paperwork to apply to change Hinton Hill Road from a Class 3 to a Class 2 road. The data from the radar cart will also need to be reviewed.
- Clayton asked about bids for paving of Peene Hill Road & Cooks Road. The SB asked Clayton to put these two roads out to bid.

Listers

- Chris reported in June there was 10 grievances hearings and no appeals to the BCA. The tax department is having many issues with homesteads. She is asking that if anyone believes they should be getting a homestead payment but haven't gotten a letter from the state to contact her. Missy will be sending tax bills out towards the end of August this year. A little later than usual due to the delay from the tax department in hopes to avoid multiple bills having to be sent out and confusion this will create.

- Amanda gave the board a copy of the Attendant Manual for the Transfer Station to have on file.
- Randi asked if garbage should be left in a can. Bill said this is something to discuss when we discuss how to structure next year's trash pickup given Jim has expressed he will not be returning next year.
- Miriam updated us on the monthly WMD meeting. There will be a ewaste training in September.
